NPS Movie Night

Acadia National Park

Tuesday, December 20 at 7 p.m.

Kīlauea Visitor Center Auditorium

Acadia and Hawai'i Volcanoes National Parks are thousands of miles apart, but they have much in common. Both parks turned 100 this year, and both are on islands defined by their indigenous host cultures, fascinating geology, and intriguing biodiversity. Learn about Maine's iconic national park in the new film, "A Second Century of Stewardship: Science Behind the Scenery in Acadia National Park," by filmmaker David Shaw.
